

VELO Launches Adult Nicotine Consumer-Focused E-Commerce Website, shop.VELO.com

*Offers Opportunity to learn more about VELO's portfolio of modern oral products
Offers Online Purchase to Age 21+ Adult Nicotine Consumers*

WINSTON SALEM, N.C., Aug. 27, 2020 /PRNewswire/ -- R.J. Reynolds Vapor Company ("RJRV") today announced its new consumer-focused e-commerce website for the VELO brand, <https://shop.VELO.com>. The platform is designed to enable age 21+ adult nicotine consumers (ANCs) to identify and purchase the modern oral products they are looking for. The new <https://shop.VELO.com> site is designed to be engaging and informative.

Through the site, age 21+ adult nicotine consumers will have the opportunity to learn about VELO products; interact with the brand and engage across channels; and now shop online to purchase their ideal modern oral product. As part of VELO's continued commitment to responsibility, the site will continue to require robust third-party age verification prior to purchase.

"Today's adult nicotine consumers are looking for unique products that fit their modern-day lives, so VELO offers a portfolio of product options with adult nicotine consumer moments in mind," said Amy Harp, vice president digital marketing and e-commerce. "Our proven ability to develop a range of enjoyable alternatives to traditional combustibles is a testament to our deep understanding of our consumers and our team's ability to deliver."

The release of the e-commerce website marks a major step for the Company's digital-first initiative to reach adult nicotine consumers where they are.

"This website was developed thoughtfully and diligently to meet our high standards for responsible marketing while delivering sought-after product access for our adult nicotine consumers," said Harp.

VELO also remains available for purchase online at www.vuse.com.
